Folding 2 Blade Gori Sail Drive Propeller	Ø 14" £830	Ø 15" £840	Ø 16 1/2" £850

MOTOR & ELECTRICS FOR 24V DIRECT DRIVE MODEL - LYNCH SYSTEM

LEM 200. D135 motor for mounting to Sonic direct drive saildrive. Max output 2.8 kw - 1000 rpm: ZF top mounted, RH single level control, ahead/astern/ speed control (LH to order). Includes shunt and fuses in an ABS case, and controller/heat sink both internally wired. Connecting wire supplied in lengths with plug terminations for self assembly to detailed instruction. Together with keyswitch, battery display mounted on a green panel (Main power cables from battery to isolator/shunt box/motor not supplied)	£3,350
--	--------

MOTOR & ELECTRICS FOR 36V REDUCTION MODEL - LYNCH SYSTEM

As above for connection to Sonic or Hydrodrive 2:1 reduction Max output 4.5 kw - 1500rpm	£3,450
---	--------

MOTOR & ELECTRICS FOR 48V REDUCTION MODEL - LYNCH SYSTEM

As above for connection to Sonic or Hydrodrive 2:1 reduction. Max output 8kw - 2000rpm	£3,600
---	--------

MOTOR & ELECTRICS FOR 24V DIRECT DRIVE MODEL - BELLMAN SYSTEM

Motor PMG 132 Max output 2.4 kw - 1120 rpm includes. Controller with fan cooling, joystick and display, mainswitch 250A, fuseholder and fuse, cable set and module charger (main power cables not supplied)	POA
---	-----

MOTOR & ELECTRICS FOR 36V & 48V FOR 2:1 REDUCTION SONIC SAILDRIVE - BELLMAN SYSTEM

As above rated at 3.6 kw - 1680 rpm and 4.8 kw - 2240 rpm respectively	POA
--	-----

BATTERY & CHARGER OPTIONS 24V

2 x 100 A.h - 12 V Monobloc deep cycle batteries (2-4 hrs cruising approx. - weight abt 60 kilos)	£650
4 X 100 A/h - 12V Monobloc deep cycle batteries (3-6 hrs cruising approx. - weight abt 120 kilos)	£1,050
24V - 16 amp - Zivan Battery charger (confirm battery type when ordering)	£450

BATTERY CHARGER OPTIONS 36V

3 x 100 A/h - 12V Monobloc deep cycle batteries (2-4 hrs cruising, approx. - weight abt 90 kilos)	£870
6 x 100 A/h - 12V Monobloc deep cycle batteries (3-6 hrs cruising approx. - weight abt 180 kilos)	£1,675
36V - 24 amp - Zivan Battery charger (confirm battery type when ordering)	£700

GENERAL

Battery cables 19mm - specify red or black - per metre	£30
--	-----
